

1. What makes a good / bad discussion?

What makes a good discussion...?	What makes a bad discussion...?

2. Match up the roles to the descriptions:

ROLES:	WHAT THEY DO:
Speaker	raises questions to keep the discussion moving forward
Listener	puts forward differing opinions and opposes the views of others
Supporter	has a planned idea and uses gestures, tone and body language to clearly make their point
Questioner	agrees with the views of other people, and adds further ideas to support them
Challenger	uses their body language to show that they are attentive & asks questions if they are unsure

3. Useful Phrases: Record some phrases that may be useful in a discussion.

A large empty rectangular box for writing useful phrases, with a decorative graphic of three stylized speech bubbles above three dark gray silhouettes of people in the bottom right corner.
