

# Chapters 23 & 24.

## Inference & Understanding

### Task 1:

Why does the monster keep repeating this while Harry is being attacked?

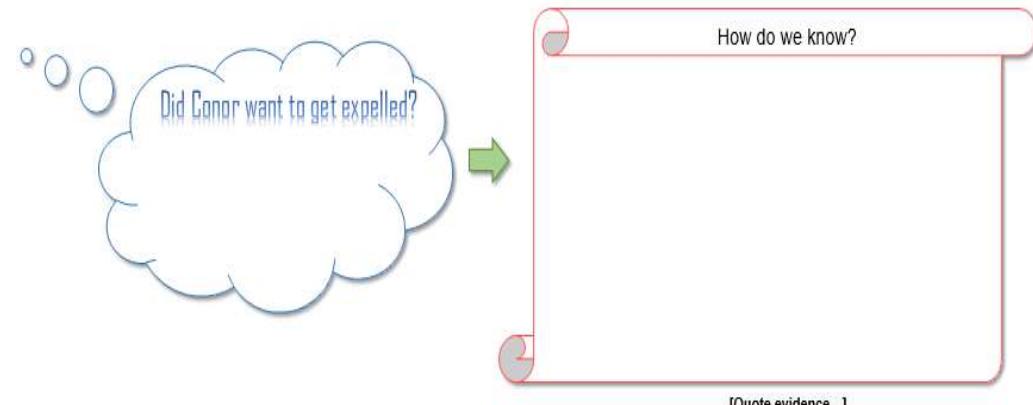

### Task 2:

At this point, do you think that the monster is real or in Conor's imagination?  
(Complete the table of arguments "for" and "against" ...)

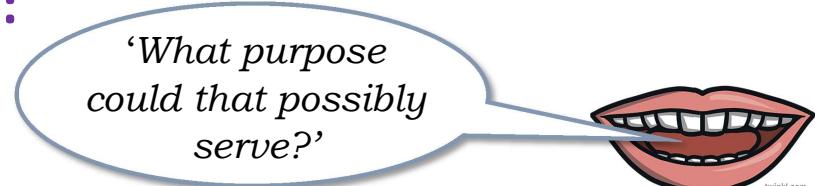

The Monster is REAL...	The Monster is IMAGINARY...

### Task 3:

Did Conor want to get expelled? How do we know? (Use evidence from the chapter in your answer.)

### Task 4:

'What purpose could that possibly serve?'

Who says this and why is it significant?

### Task 5:

'But there are harder things than being invisible...'

What point is the monster making to Conor?
