

## Chapter 22

1. Why do you think Harry picks on someone who is already suffering?
2. What do Harry's actions tell the reader about his character?

3. What do Harry's actions tell the reader about his understanding of Conor's situation and inner feelings?

4. Have you ever witnessed a situation like this?

**(If you answered "yes" to question 4, also answer question 5.)**

5. What insights does your experience offer you into the story, or what insights does the story offer into what you experienced?
