

The Strawberry Task...

1. Sign into your Google account.
2. Open a blank document in Google slides.
3. Name the document "*Strawberries*".
4. In the title box, type "*Strawberries*".
5. Insert another blank slide.
6. Insert a picture of a strawberry on this slide.
(Choose 'search the web'. Then add a picture from the panel on the right.)
7. Resize the image and move it to a different position.
8. Insert a text box.
9. Write the following in the textbox: "*I love strawberries!*"
10. Change the font & colour.
11. Resize the font.
12. Insert another textbox and write the following: "*Strawberries are delicious and they are also very healthy.*"
13. Insert a picture of a love-heart.
14. Move the texts and images where you want them to be.
15. Now, insert a final slide.
16. On this new slide, insert an image that says "The End".
17. Go back to the first slide, and insert a picture of a strawberry there too.
18. Finally, check that you are happy with the presentation!
