

Be Kind Online

I want to follow these guidelines in order to be kind & respectful when using the internet:

1. Be Respectful

Treat everyone online the way you want to be treated - with kindness and respect.

2. Think Before I Type

Think carefully about what you say online and make sure it's something nice and helpful.

3. Stand Up for Others

If someone is being treated unkindly, support them and tell a trusted adult.

4. Never Share Hurtful Words

Do not say anything mean, hurtful, or bullying to anyone online.

5. Protect Personal Information

Keep personal information (like names, addresses, and passwords) safe and only share them with trusted adults.

6. Ask for Help

If something makes you uncomfortable or feel unsafe, ask a parent, teacher, or trusted adult for help.

7. Spread Positivity

Use your words and actions online to encourage and support others.

By following these guidelines, I will be a kind and responsible digital citizen!
