How to Build a Strong Password:

1. **Pick two random words** (e.g., *Pizza* and *Tiger*)

2. **Add numbers** (e.g., *Pizza9Tiger*)

3. **Include special characters** (e.g., *P!zza9T!ger*)

4. **Mix uppercase and lowercase letters** (e.g., *P!zZa9t!GeR*)

1. Create a strong password and write it here:

2. Use the password checker to do a "Strength Test" for your password above.
